

Crunchfish interviews payment experts about digital cash

Crunchfish says that digital cash is an innovation that will change the way we pay. But what do the payment experts think? It's time to find out and in the coming weeks we will be hearing what experienced payment experts think.

On Monday, January 11, we will start the week with an interview with [Ram Rastogi](#), an Indian payment expert who began his career in 1980 at the [State Bank of India](#), India's largest bank, and who also worked 10 years at [NPCI](#).

Then we invite [Bengt Nilervall](#), payment expert at [Svensk Handel](#) who promotes innovation and better payment solutions for Swedish merchants.

Finally we'll be interviewing [Patrik Centellini](#), an experienced payment consultant from [TietoEvy](#) and who previously worked at [Bankgirot](#), leader in Swedish settlement of digital payments.

The interviews during the fifth interview week will be available via the links below:

During the coming weeks, we will be interviewing payment experts from different types of payment schemes and also have a theme week about payment security. The episodes in the interview series "Cash goes digital - a payment pandemic" are published every Monday, Wednesday and Friday at 06:00 CET / 10:30 IST on [Crunchfish's website](#) and our [YouTube channel](#). The first season, "Swimmingly easy payments", which aired during the spring of 2020 is also available here.
